

MSCI SASB Reference Table

2022

This is our third year of reporting using the SASB framework for the Professional and Commercial Services industry for MSCI Inc. (“MSCI” or the “Company”). At MSCI, we strive to bring greater transparency to the investment process, and we aim to apply the same emphasis on transparency to our own efforts. Unless otherwise noted, all information is presented as of and for the year ended December 31, 2022. In certain instances, we have also included year-over-year comparisons. Inclusion of information in this data report should not be construed as a characterization of the materiality or financial impact of that information with respect to MSCI.

Forward-Looking Statements

This report and reports that are referenced in this report may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements relate to future events and involve known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance, objectives or achievements to be materially different from any future results, levels of activity, performance, objectives or achievements expressed or implied by these statements. In some cases, you can identify forward-looking statements by the use of words such as “may,” “could,” “expect,” “intend,” “plan,” “seek,” “anticipate,” “believe,” “estimate,” “predict,” “potential” or “continue,” or the negative of these terms or other comparable terminology. You should not place undue reliance on forward-looking statements because they involve known and unknown risks, uncertainties and other factors that are, in some cases, beyond MSCI’s control and that could materially affect our actual results, levels of activity, performance, objectives or achievements.

Other factors that could materially affect actual results, levels of activity, performance, objectives or achievements can be found in the MSCI 2022 Annual Report on Form 10-K filed with the SEC on February 10, 2023 and in quarterly reports on Form 10-Q and current reports on Form 8-K filed or furnished with the Securities and Exchange Commission. If any of these risks or uncertainties materialize, or if MSCI’s underlying assumptions prove to be incorrect, actual results may vary significantly from what MSCI projected. Statements and reports on our website or other websites that we refer to in this report will not be deemed a part of, or otherwise incorporated by reference in, this report. Some of the statements and reports contain cautionary statements regarding forward-looking information that should be carefully considered. Our statements and reports about our objectives may include statistics or metrics that are estimates, make assumptions based on developing standards that may change, and provide aspirational goals that are not intended to be promises or guarantees. Inclusion of metrics or other information in such reports or in this report is not necessarily intended to imply that such information is material to MSCI unless noted.

Any forward-looking statement in this report and statements and reports that are referenced in this report reflect MSCI’s current views with respect to future events and is subject to these and other risks, uncertainties and assumptions relating to MSCI’s operations, results of operations, growth strategy and liquidity. MSCI assumes no obligation to publicly update or revise these forward-looking statements for any reason, whether as a result of new information, future events, or otherwise, except as required by law.
